SUMMARY

I am a highly productive person, with a diverse range of work experience from graphic design, photography, illustration, installation to street art, video, music etc... I have enjoyed many collaborations with other artists, brands, shops etc on a variety of different creative project, all featuring limited edition art. I thrive off new challenges.

Interested in: collaborations, photography, gadgets, toy design, sneakers, music, technology, core fashion, typography, furniture design, cinema, mixed media, architecture and urbanism.

Tools: pencil, markers, spray paint, acrylic colors, watercolors, Apple computers, Wacom Tablet, Lomo 35mm camera, Olympus waterproof camera, Blackbird-Fly 35mm camera, etc...

Dreams about: living underwater...
